---------	---------------	----------------	---------------------

SECTION 6

Exercise Price & Terms

Exercise Price: Fair Market Value (FMV) at date of grant, as determined by the Board based on independent 409A valuation

Exercise Period: 10 years from grant date (or 90 days post-termination for employees)

Early Exercise: Not permitted under this Plan

Cashless Exercise: Permitted subject to Board approval

Transfer Restrictions: Options are non-transferable except by will or laws of descent

SECTION 7

Dilution Protection

The Option Pool is established pre-money (included in the pre-money capitalization), meaning that Series Seed-1 investors share in the dilution from the option pool. Future financing rounds may require pool refreshes:

Round	Pool Refresh	Dilution Impact
Series A (projected Month 18-24)	Increase to 15% of post-money	~3-5% dilution to existing holders
Series B (projected Month 30-36)	Maintain at 12-15% of post-money	~2-3% dilution to existing holders

SECTION 8

Tax Considerations

Incentive Stock Options (ISOs): Available for employees only, maximum \$100,000 annual vesting limit

Non-Qualified Stock Options (NSOs): Available for all participants, including advisors and consultants

83(b) Election: Participants should consult tax advisors regarding 83(b) elections for early stock purchases

409A Compliance: The Company shall obtain annual independent 409A valuations to ensure exercise prices comply with fair market value requirements

SECTION 9
